

BUZZBRAIN EXERCISES No 2

MAXPLICATION CHART

This is another example of the energy the numbers one to nine.

List all the numbers that can be multiplied by 2 thru 9.

You can increase your list by using a little simple arithmetic

		2	2	3	3	4	4	5	5	6	6	7	7	8	8	9	9		
1		2		3		4		5		6		7		8		9			1
