

BUZZ BRAIN EXERCISES 011

MAXPLICATION CHART

This chart is an exercise in cognitive and creative skills; suitable for grades one and two.

Allow students to study the chart and identify how much multiplication information they can document.

As a follow up exercise ask students to design and document the information for the six times table; using the same format.

		2	2	2	2		3	3	3	3		4	4	4	4		5	5	5	5
1			2						3					4					5	
				2						3					4		1			6
					2													1		
2				4					6					8					0	
					4		1			7		1			9		1			1
												1						1		
3				6	6				9					2					5	
							1			0		1			3					
								1					1					2		7
4				8					2					6					0	
		1			9		1			3		2			8		2			2
								1					2					2		
5			1						5					0					5	
				0			2			7		2			2		3			8
		1			1			1					2					3		
6			1						8					4					0	
				2			2			0		3			7		3		3	
		1			3			2					2					3		3
7				4					1					8					5	
		1			5		2			3		3			1		4			9
			1					2					3					4		
8				6					4					2					0	
		1			7		2			6		3			5		4			4
			1					2					3					4		
9				8	8				7	7				6	6				5	5
		2	2	2	2		3	3	3	3		4	4	4	4		5	5	5	5
